8:30pm

**Australiens** – Horror Feature - Australia

Director: Joe Bauer

At the age of 10, Australian-born Andi Gibson had what she describes as a close encounter with a flying saucer. Naturally, everyone assumed she was bonkers. That is until one notable evening, 17 years later, when an airborne extra-terrestrial armada launches a nation-wide assault on Andi's home country and at the same time, for unspecified reasons, kidnaps her mother. To add to the debacle, it seems the other nations of the world are far too insulted by their exclusion from the attack to come to Australia's aid. Now it's up to Andi, her hypochondriac brother Elliot, retired boxer cousin Keith and documentary filmmaker friend Cam to stop the attack and rescue Andi's mum. Enlisting the help of Andi's equal-parts mysterious and cringe-worthy father, the gang must battle car-chasing spaceships, martial-arts aliens, giant killer robots and, perhaps most frighteningly, a deluge of family secrets in their fight to save Australia. Bloody hell, this is gonna be a long night.

11:00am

**The Firesign Theatre - Everything You Know Is Wrong!** – SF&F Comedy - USA PG-13

Director: Philip Austin, Peter Bergman, David Ossman & Phil Proctor

As often is the case, this performance from the Firesign Theatre defies a liner synopsis. The recording takes the form of another record produced by conspiracy theorist and "seeker" Dr. Harry Cox as he tries to tie together evidence of extraterrestrial visits to earth from old recordings, films, newspaper articles and interviews, all while besieged by interruptions from his various acquaintances and hangers-on. It presents an alternate history where the American Revolution was fomented by a bunch of hemp-smoking dope-heads, and where the South won the Civil War; because, of course, Everything You Know is Wrong. Besides being a general aural feast, the record contains a great deal of sharp but subtle social satire, much of which is only gleaned after several listening's. So if you were never a special person, you are a special person now. But be careful, because they're in everybody's eggs.
